

Pupil Support Form

The Pupil Support Form (opposite) completed by your child's teacher shows you the areas where you can help your child's progress at school. This is a huge opportunity for you to use some of the teaching resources used at school in a fun and enjoyable way at home with your child. You will find these resources available on line at www.keen2learn.co.uk where you will also find a wealth of information about the National Curriculum.

The K2 Learning Mountain

keen2learn lets you help your child climb higher up the learning mountain by reinforcing their classroom lessons at home.

- ✓ You can make a big difference to the schooling of your child by helping them to practice classroom lessons at home. Research shows that 75% of learning retention is achieved through practice – just take a look at the K2 learning mountain!
- ✓ keen2learn's award winning website gives you access to over 1,000 CD's, DVD's, board games and teaching aids as used in schools to support the National Curriculum.
- ✓ The Pupil Support Form on the reverse of this leaflet, completed by your child's teacher shows you the areas where you can help your child's progress at school. In doing so you also help the school, as we donate products based on the value of goods purchased by parents. Just enter your school code when you order on the website.
- ✓ Teachers have expressed overwhelming interest in parent's support of the schooling process. This is a great way to enjoy time with your child and reinforce classroom lessons at home. You become more involved and your support can account for a real boost in their overall achievement in school.
- ✓ Teachers endure continuous changes in the Curriculum combined with an average class size of 30+. You can help with the education of your child in this fun and enjoyable way at home encouraging their ability to learn and retain knowledge.
- ✓ The products on our web site are mostly in game format making it fun – learning in disguise.

Your child only spends 15% of their time at school, and 85% at home. Your help at home will give your child that extra boost and its great fun for both of you!
